

Privacy Policy for Restly - Ambient Sound

Last Updated: February 23, 2026

This Privacy Policy describes how **Restly - Ambient Sound** ("the App") handles your information. Your privacy is our top priority, and we have designed our App to be used without collecting any personal data.

1. Information Collection and Use

Restly - Ambient Sound does not collect, store, or transmit any personal information, such as your name, email address, location, or device identifiers.

- **Audio Playback:** The App operates locally on your device to play ambient sounds.
- **No Tracking:** We do not use third-party analytics or tracking cookies.

2. In-App Purchases

The App offers In-App Purchases to unlock additional soundscapes.

- All transactions are processed securely by Apple through the App Store.
- We do not have access to your credit card information, billing address, or any other financial data.
- Apple provides us with anonymous transaction receipts to verify and grant access to your purchased content.

3. Data Storage

All App settings (such as your sleep timer preferences or unlocked sounds) are stored locally on your device. We do not maintain any cloud databases containing your user data.

4. Third-Party Services

The App does not share any data with third-party services. Since no data is collected, no data is sold or distributed to any third parties.

5. Children's Privacy

Because we do not collect any personal information, **Restly - Ambient Sound** is safe for users of all ages and does not knowingly collect data from children under the age of 13.

6. Changes to This Policy

We may update our Privacy Policy from time to time. Any changes will be posted on this page with an updated "Last Updated" date.
